🚨JAMAICA - CAT5 HURRICANE MELISSA🚨

Nothing to see here. Just more geo-engineered weather modification disaster terrorism and land grabs from our FAVORITE PEEPS, folks. Probably gonna try to do a little kidnapping and a little kid trafficking while they're there too.

(Pray for Jamaica, during and AFTER the storm. They have the worst people on the planet coming to "help" them, unfortunately.)

WORLD CENTRAL KITCHEN

They're currently in Jamaica "ready to assist".

WCK HIGHLIGHTS:

World Central Kitchen Team Members

Below is a compiled spreadsheet-like table of all individuals named on the World Central Kitchen team page (https://wck.org/team). The data is based on the publicly available information from the page, focusing on names, current roles, and any former roles or places of employment mentioned. Note that former roles/employment are not always detailed; I've indicated "None mentioned" where applicable. The table is organized alphabetically by last name for ease of reference.

Name	Current Role	Former Roles/ Employment
Nate Mook	CEO	None mentioned
Huda Abifarah	Chief of Staff to the CEO	None mentioned
Ellie Brown	Chief People Officer	None mentioned

+50 rows

This table covers all named individuals across leadership, vice presidents, board members, and other key team roles as listed on the page. If former roles were not explicitly stated, I've noted it as "None mentioned." For a downloadable version, you can copy this into a spreadsheet tool like Google Sheets or Excel. If you need expansions (e.g., bios or contact info), let me know!

Hospitality. Rob also co-founded World Central Kitchen with José in 2010 after deciding together that no existing Food NGO was solving problems as they would as Chef and Entrepreneur.

In 2015 Rob also founded FoodTech Angels to fund and support innovative early-stage companies that leverage technology to change the world of food. Rob has also been an advisor and mentor to several early-stage tech and food companies at Halcyon Incubator, TechStars, FTW Ventures & Yale Entrepreneurial Institute.

An honors graduate of Yale University, Rob began his career in the restaurant industry more than 35 years ago when he co-founded Amy's Ice Creams in Austin, Texas, and then the Austin Grills in Washington. In 1993, he hired a young José Andrés to helm his new Spanish restaurant, Jaleo, which began the 27-year collaboration which is now ThinkFoodGroup.

Rob is a member of YPO/WPO and has served as Chapter Chair of the US Capital Chapter. He serves as Trustee & Finance Chair at Shakespeare Theater Company and Director of the Duane Wilder Foundation.
